Mr. and Mrs. James Asher, of Chicago, arrived here Friday evening and will spend the winter at their home on the peninsula.

Mrs. W. H. Barker and children returned to their home at Viking Thursday, after a very pleasant visit with friends in this place.

J. L. Lanver, of Mifflintown, Pa., who has spent the past month here with J. O. Jameson, left Sunday night for Sanford, where he has secured employment for the winter.

Dr. Rose, of Sebastian, was a professional visitor here Friday, coming down to see little Miss Esther Marshall, who was taken very ill Friday morning. The many friends of the family will be pleased to learn that she is improving at the time of this writing.

A pleasant event of last week was a Halloween party given by Misses Mildred and Irene Smith to about thirty of their friends. The guests, many of whom were garbed as witches or in ghostly dress, gathered on the porch of the Smith home, which was dimly lighted with Jack-o-lanterns, and presented quite a weird and amusing spectacle. After trying their fortunes in various ways, the guests were served with refreshments and at a late hour all returned to their several homes.

The meeting is to continue through this week and next Sunday, November 5, the elegant new house of worship, will be dedicated, and the church will observe the Lord's Supper. STOMACH TROUBLES

Cured By Vinol—Here is Proof Seymour, Ind.—"I was troubled with a chronic stomach trouble, and five weeks ago it got so bad I had to give up work. I had tried various medicines without relief, and was finally induced to try Vinol. After taking the first bottle I was greatly benefited. Am now on the third bottle and ready to resume work. Am rapidly gaining in weight and strength." Edw. Nieman.

It is the curative medicinal elements of the cods' livers, combined with the strengthening properties of tonic iron contained in Vinol which makes it so successful in restoring perfect digestion and at the same time it builds up the tired, over-worked and run-down system.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

I own sixty acres of land just outside the corporation of Fort Pierce, northwest, that I would like to sell in ten acre lots to parties desiring to build and own their own homes. Will sell with very small cash payment and give long time payments for balance. I also own about two hundred acres at Vero, which is twelve miles north of Fort Pierce, on the Florida East Coast Railway, and there is a better land for citrus fruit and vegetables in the state of Florida. Will sell in small lots and long payments, as above or will exchange for a bearing grapefruit grove in a good location and good condition.

1912 - REO - \$1,000

THE REO "THIRTY"—\$1,000

A 4-Cylinder, 5-Passenger, Fore-Door Car; 108-inch Wheel Base, 34x3 1-2 inch Tires, Magneto

Price Subject to Change Without Notice. Windshield and Top not included. The car will be equipped with Mohair Top and Slip Cover, a Mezger Automatic Windshield, a Speedometer and a Gas Tank—all for \$100 extra

Another Reo Sensation

The 1912 Reo for \$1,000. And the best automobile, regardless of price, which this famous factory has ever turned out. We frankly confess that the price may be impossible. That depends on our output and on future cost of materials.

If we find ourselves wrong we'll confess it. And we'll make the price what we must. Under no condition will this car be skimped to keep the price at \$1,000. This step simply accords with our policy since the first Reo car went out.

Now our output has grown to enormous proportions. Each important part has been standardized, and machines are adapted to it. Experiments are practically ended. We have equipped our factories to manufacture every part of the car.

The Reo "Thirty"—Close Coupled 4-Passenger—\$950

This car is the same as the five-passenger Reo, except that it carries four passengers, has a hooded dash, is about 100 pounds lighter, and the tonneau is detachable. For \$100 extra car will be equipped with Mohair top and slip cover, windshield, speedometer and tank.

REO MODEL "H" POWER WAGON
PRICE \$750

The price at the start will be \$1,000 and we hope to keep it there. For we feel that the time has now arrived when \$1,000 should buy a big, roomy, powerful, high-grade car, with every modern feature.

This car has always given more for the money than any competing car. Even back in the one and two cylinder days, when no other car could compare with the Reo, the price was exceedingly modest. It was so in the four-cylinder days when any price was possible.

In these ways we figure that costs in the future will run 20 per cent. less than costs in the past. On this assumption we have fixed the price on the 1912 Reo at \$1,000, but we don't guarantee to maintain it.

Reo "Thirty" as 2-Passenger Roadster—\$900

Same as the \$1,000 Reo save in style of body—32 inch wheels, 3 1-2 inch tires. This Reo Roadster, with its light weight and ample power, supplies a speedy and sporty machine. It is a thoroughbred in style, speed and performance.
